TECHNICAL RIDER

Morten Deurell
Close-up magic

Contact

– The contact person must be reachable on the stated mobile number from 30 min. before showtime.

Conditions

– A room in which the audience can see the performance.
– Sufficient light for the audience to see what is happening.
– Sufficient quiet for the audience to hear the performance.
– It is the organiser's responsibility that the audience does not obstruct the show, e.g. through intoxicated behaviour.
– It is the client's responsibility if dining or other programme items shorten the booked performance time.

Logistics

– There must be enough space between the tables and guests for Morten Deurell to move around and perform for everyone, unless otherwise agreed.
– Morten Deurell is informed in advance of the seating plan, or whether guests are mingling, e.g. at a reception.
– No stage area, microphone or PA system is required.

Catering and accommodation

– Cold drinking water in a glass.
– If a meal is offered, it is served after the performance.
– Accommodation is arranged if needed.

Introduction

The host introduces the act with the following words:

> **"We have a little surprise for you: some entertainment that will be making its way around the room. We won't give anything away - please just make him feel very welcome. MORTEN DEURELL!"**
